Re: Informational Notice Regarding Kentucky Data Link, Inc. and Norlight Telecommunications, Inc.

Dear Mr. Terrini:

Kentucky Data Link, Inc. ("KDL") and Norlight Telecommunications, Inc. ("NTI") (collectively, the "Parties"), through their undersigned counsel hereby notify the Commission of a transaction between the Parties' parent company, Q-Comm Corporation ("Q-Comm"), and Windstream Corporation ("Windstream") pursuant to which Windstream will acquire, through an acquisition subsidiary formed for the purpose, the stock of Q-Comm and therefore indirect control of KDL and NTI. KDL and NTI are competitive telecommunications service providers and are authorized to provide resold and facilities-based local exchange and interexchange telecommunications services in South Carolina.¹ For the Commission's reference, charts illustrating the transaction and the pre- and post-transaction corporate ownership structure of the Parties are provided as Attachment A hereto.

This change in ultimate control of the Parties will not involve a transfer of their operating authority, assets or customers. Following the transaction, the existing customers of KDL and NTI will remain customers of KDL and NTI, respectively, and each company will continue to offer the same services, rates, terms and conditions pursuant to their existing authorizations. Accordingly, the transaction will be virtually transparent to South Carolina customers, who will continue to enjoy the same rates, terms and conditions of service as they do prior to closing.

¹ In South Carolina, KDL is authorized to provide resold and facilities-based local exchange and interexchange telecommunications services pursuant to Order No: 2008-345 issued in Docket No.2008-16-C on May 7, 2008; and NTI is authorized to provide resold and facilities-based local exchange and interexchange telecommunications services pursuant to Order No. 2008-642 issued in Docket No. 2008-208-C on September 22, 2008.
